PRESIDIO® Vinyl Rail Kit Systems By Westech®

*Innovative solutions
for the building
products industry.*

- Beauty and brawn, that's what Presidio rail kit systems are all about. Presidio rail systems are engineered for superior strength and durability to provide long-lasting value and performance.
- Low maintenance vinyl makes Presidio impervious to moisture, rotting, warping, and termites.
- No splinters, no nails, and best of all no staining or painting...ever!
- So durable, the materials are guaranteed for a lifetime.
- Presidio rail kit systems are in full compliance with the standards set by NES / ICC for guardrails.
- Creates no health or environmental hazards.
- At a cost anyone can afford, Presidio railing systems are available in easy to install pre-packaged kits.
- Each kit includes simple instructions with all the components needed to complete your railing section.
- Your Presidio dealer can help you choose between a variety of coordinating accessories and colors.
- Proven value makes Presidio the most practical choice. Make Presidio your first and final choice.
